NOTE 1: The format column identifies the formats used by the society. We are unable to specify the actual format used for each title.

NOTE 2: RI = Rating Index is derived by all audience members voting from A - E
Then add up the number of A votes plus 0.75xB votes, plus 0.5xC votes
plus 0.25xD votes, (ignore the E votes) divide by the number of votes and express as a percentage.
