About Woodend.

Just 55 minutes from central Melbourne along the Calder Highway or 55 minutes from Bendigo, Woodend is the sweet spot in the beautiful Macedon Ranges region. There's a good train service from Southern Cross Station to Woodend on the Bendigo line.

Apart from attending the Information Day, there's much to see and enjoy around Woodend. Scenic views from the top of Mount Macedon, iconic Hanging Rock, and numerous boutique wineries to visit. And there are plenty of accommodation and food options to satisfy. To explore further afield visits to Kyneton and Daylesford are recommended.

Help the FVFS

The FVFS is your organisation and you probably think it runs smoothly, making the endeavours of Film Societies both new and existing much easier - I believe it does however, like all such organisations the work is 100% voluntary and too often it gets left to too few people. Your FVFS needs new committee members. Please consider nominating for a committee position. It's not an arduous role. We meet three or four times a year mostly by Zoom (so no travel required). Please consider making a contribution.

Henry Screen, FVFS President.
